### *Try the online surname registry...*

Have you registered your Blair County surnames at the online registry at the society's web site: <http://www.bcgslibrary.org/surname-index.html> ? If not, you should give it a try. All you need is your names and your member number. Email Judy Banja (the link to her email is "Me" on the site) to register your names. This is a quick efficient way to check on others who are researching your names. Remember that the printed surname interest lists will be published only once a year.
